Based on detailed requirements, additional services can be purchased from Wandsoft.

Some modules not included in the “Establish” plan may be included for an additional fee.

- (1) All costs exclude Irish VAT at current rate. Qualifying VAT registered businesses from other EU countries and some countries outside the EU may be subject to no VAT.
- (2) Cost of text messages is not included. Cost indicated is for Ireland. Please contact us for other countries.
- (3) Indicates availability of the functionality. Additional cost depends on the specific requirements.
